

# Ultimate Member

Comprehensive Feature Overview for Replit Integration

# 01. Registration & Access

Building the Foundation of Your Community

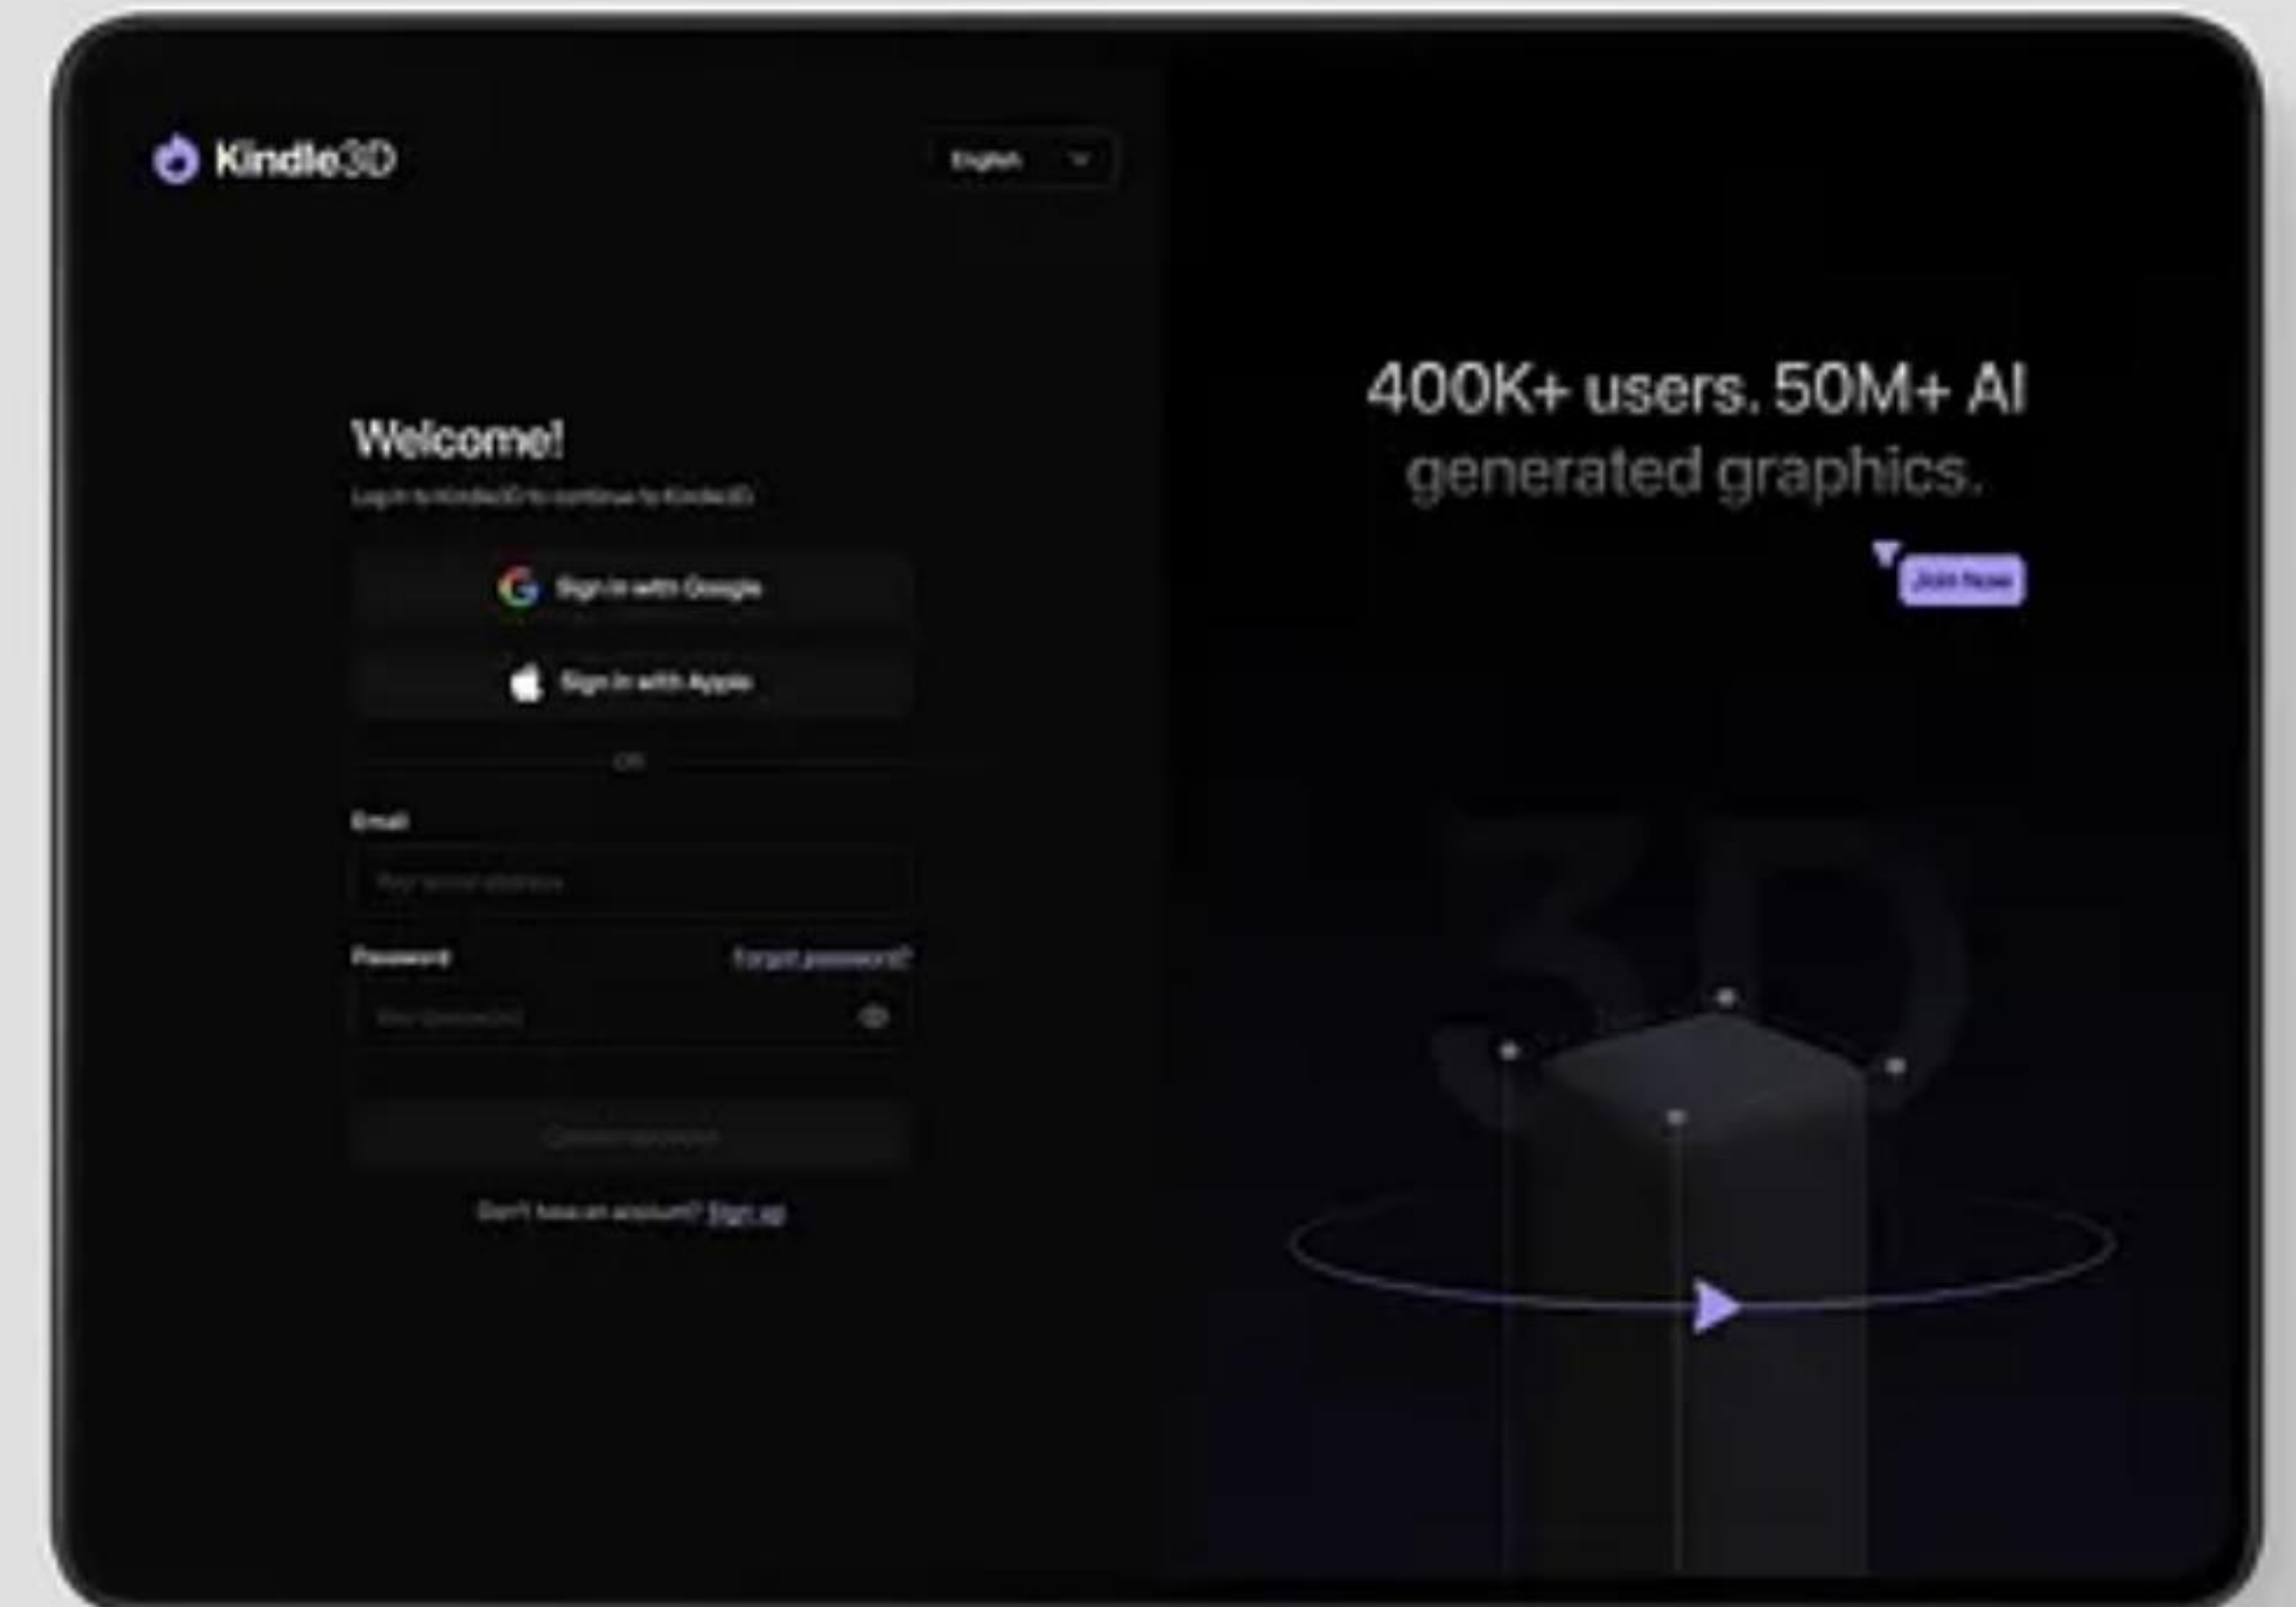

# Seamless Onboarding

## Registration Flows

- ✓ Customizable front-end registration forms.
- ✓ Role assignment upon registration.
- ✓ Status control: Auto-approve, Email Activation, or Admin Review.

## Secure Login

- ✓ Triple anti-spam protection (Honeypot, Nonce, Time delay).
- ✓ Front-end password reset workflows.

# Granular Access Control

## Custom Roles

Create multiple user roles with specific permissions and capabilities tailored to your community structure.

## Content Restriction

Restrict access to specific posts, pages, or navigational elements based on user login status or role.

## Global Access

Control site-wide visibility with a single switch, making your entire platform public or private.

## 02. Profile & Community

Engaging Users with Rich Identities

# Stunning User Profiles

## Visual Customization

Users can personalize their identity with cover photos, profile avatars, and rich bio sections. The interface is clean, modern, and fully responsive.

## Account Management

Dedicated front-end tabs allow users to manage their privacy settings, change passwords, and update personal information without ever accessing the backend.

Reviews

#### About Me

Responsible physician with 9 years of experience maximizing patient wellness and facility profitability. Seeking to deliver healthcare excellence at Mercy Hospital. At CRMC, maintained 5-star healthgrades score for 112 reviews and 85% patient success.

#### Specialties:

- Clinical & Interventional Cardiologist
- Heart Specialist
- Cardiac Anaesthesia
- Chief Consultant Cardiology
- Cardiac Surgeon

#### Designation:

- Professor of Cardiac Surgery

#### Department:

- Cardiology (Heart)

#### Professional Experience

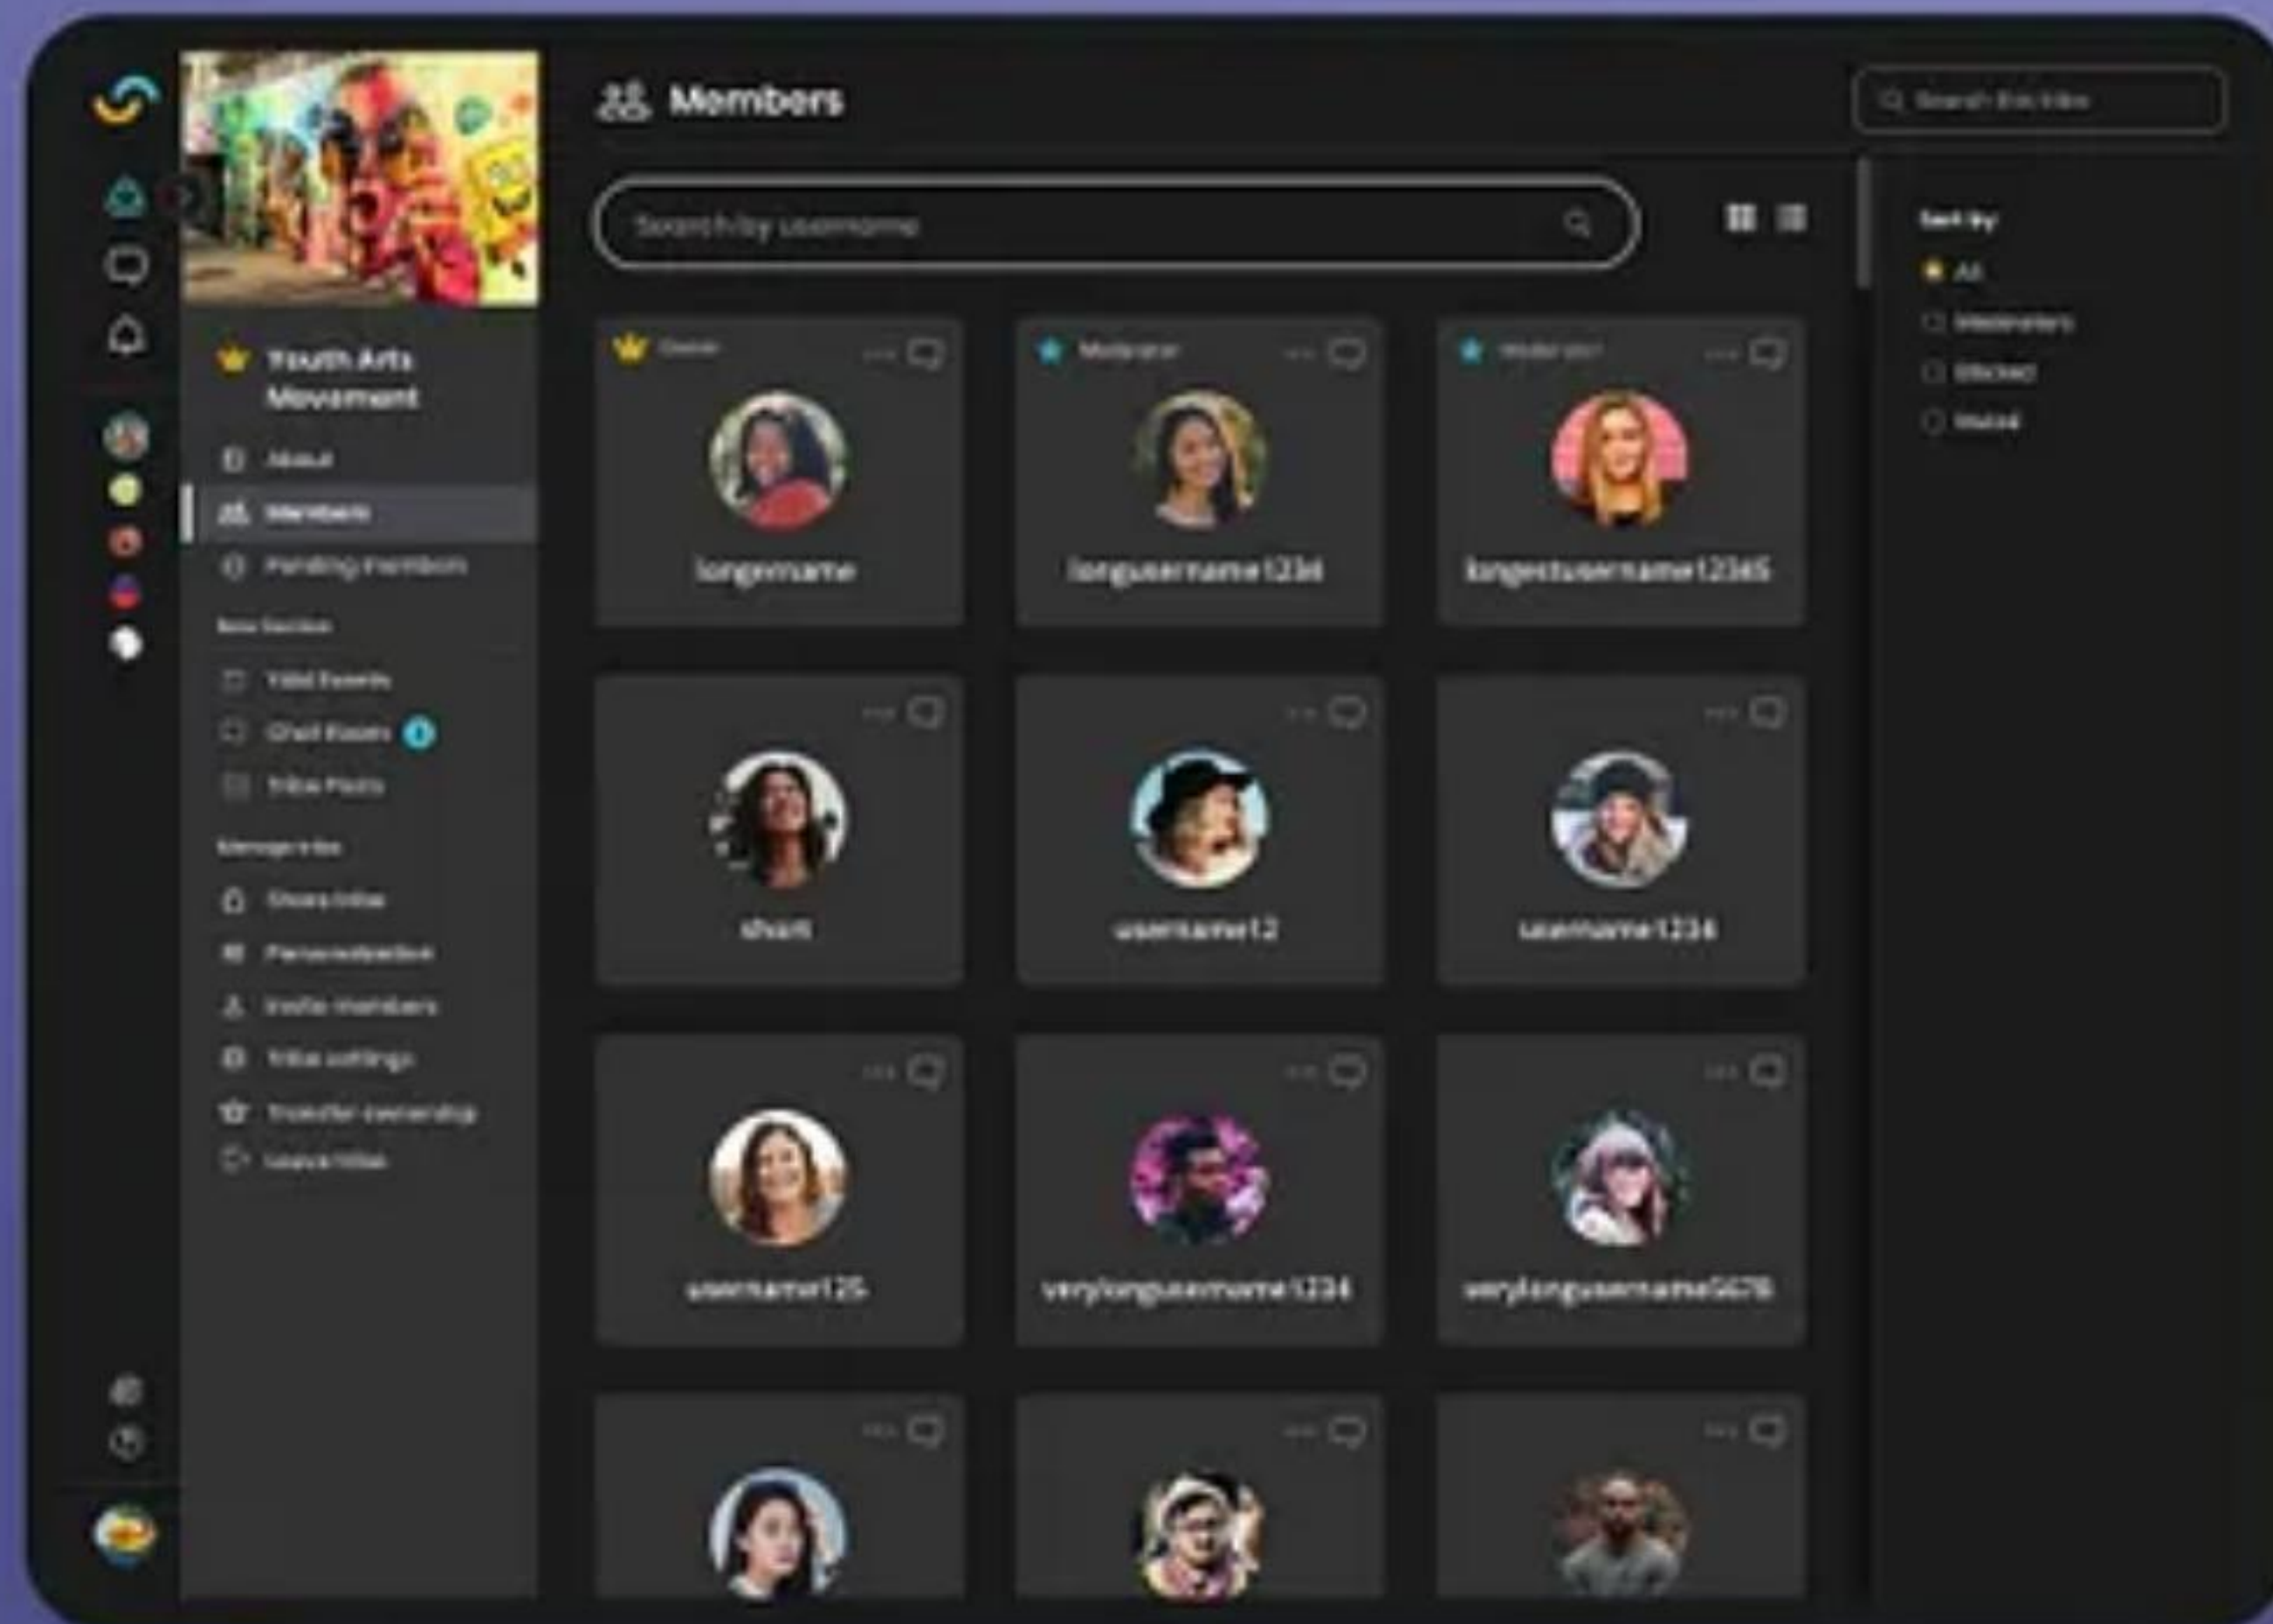

- 2014-2016  
Dhaka Medical College, Dhaka, Bangladesh  
Heart Specialist

#### Education

- 2008-2012  
Dhaka Medical College, Dhaka, Bangladesh  
7th Position in third Professional M.B.B.S.
- 2008-2012  
Dhaka university, Dhaka, Bangladesh  
Master of Science

# Member Directories

## Find & Connect

- ✓ **Advanced Search:** Filter members by custom fields, role, or specific criteria.
- ✓ **Display Options:** Toggle between grid and list views to suit your data density.
- ✓ **Social Integration:** Display social icons and bio snippets directly on the directory card.
- ✓ **Role Filtering:** Create specific directories that only show users from certain role groups (e.g., "Teachers" vs "Students").

## 03. Customization & Control

Tailoring the Experience to Your Needs

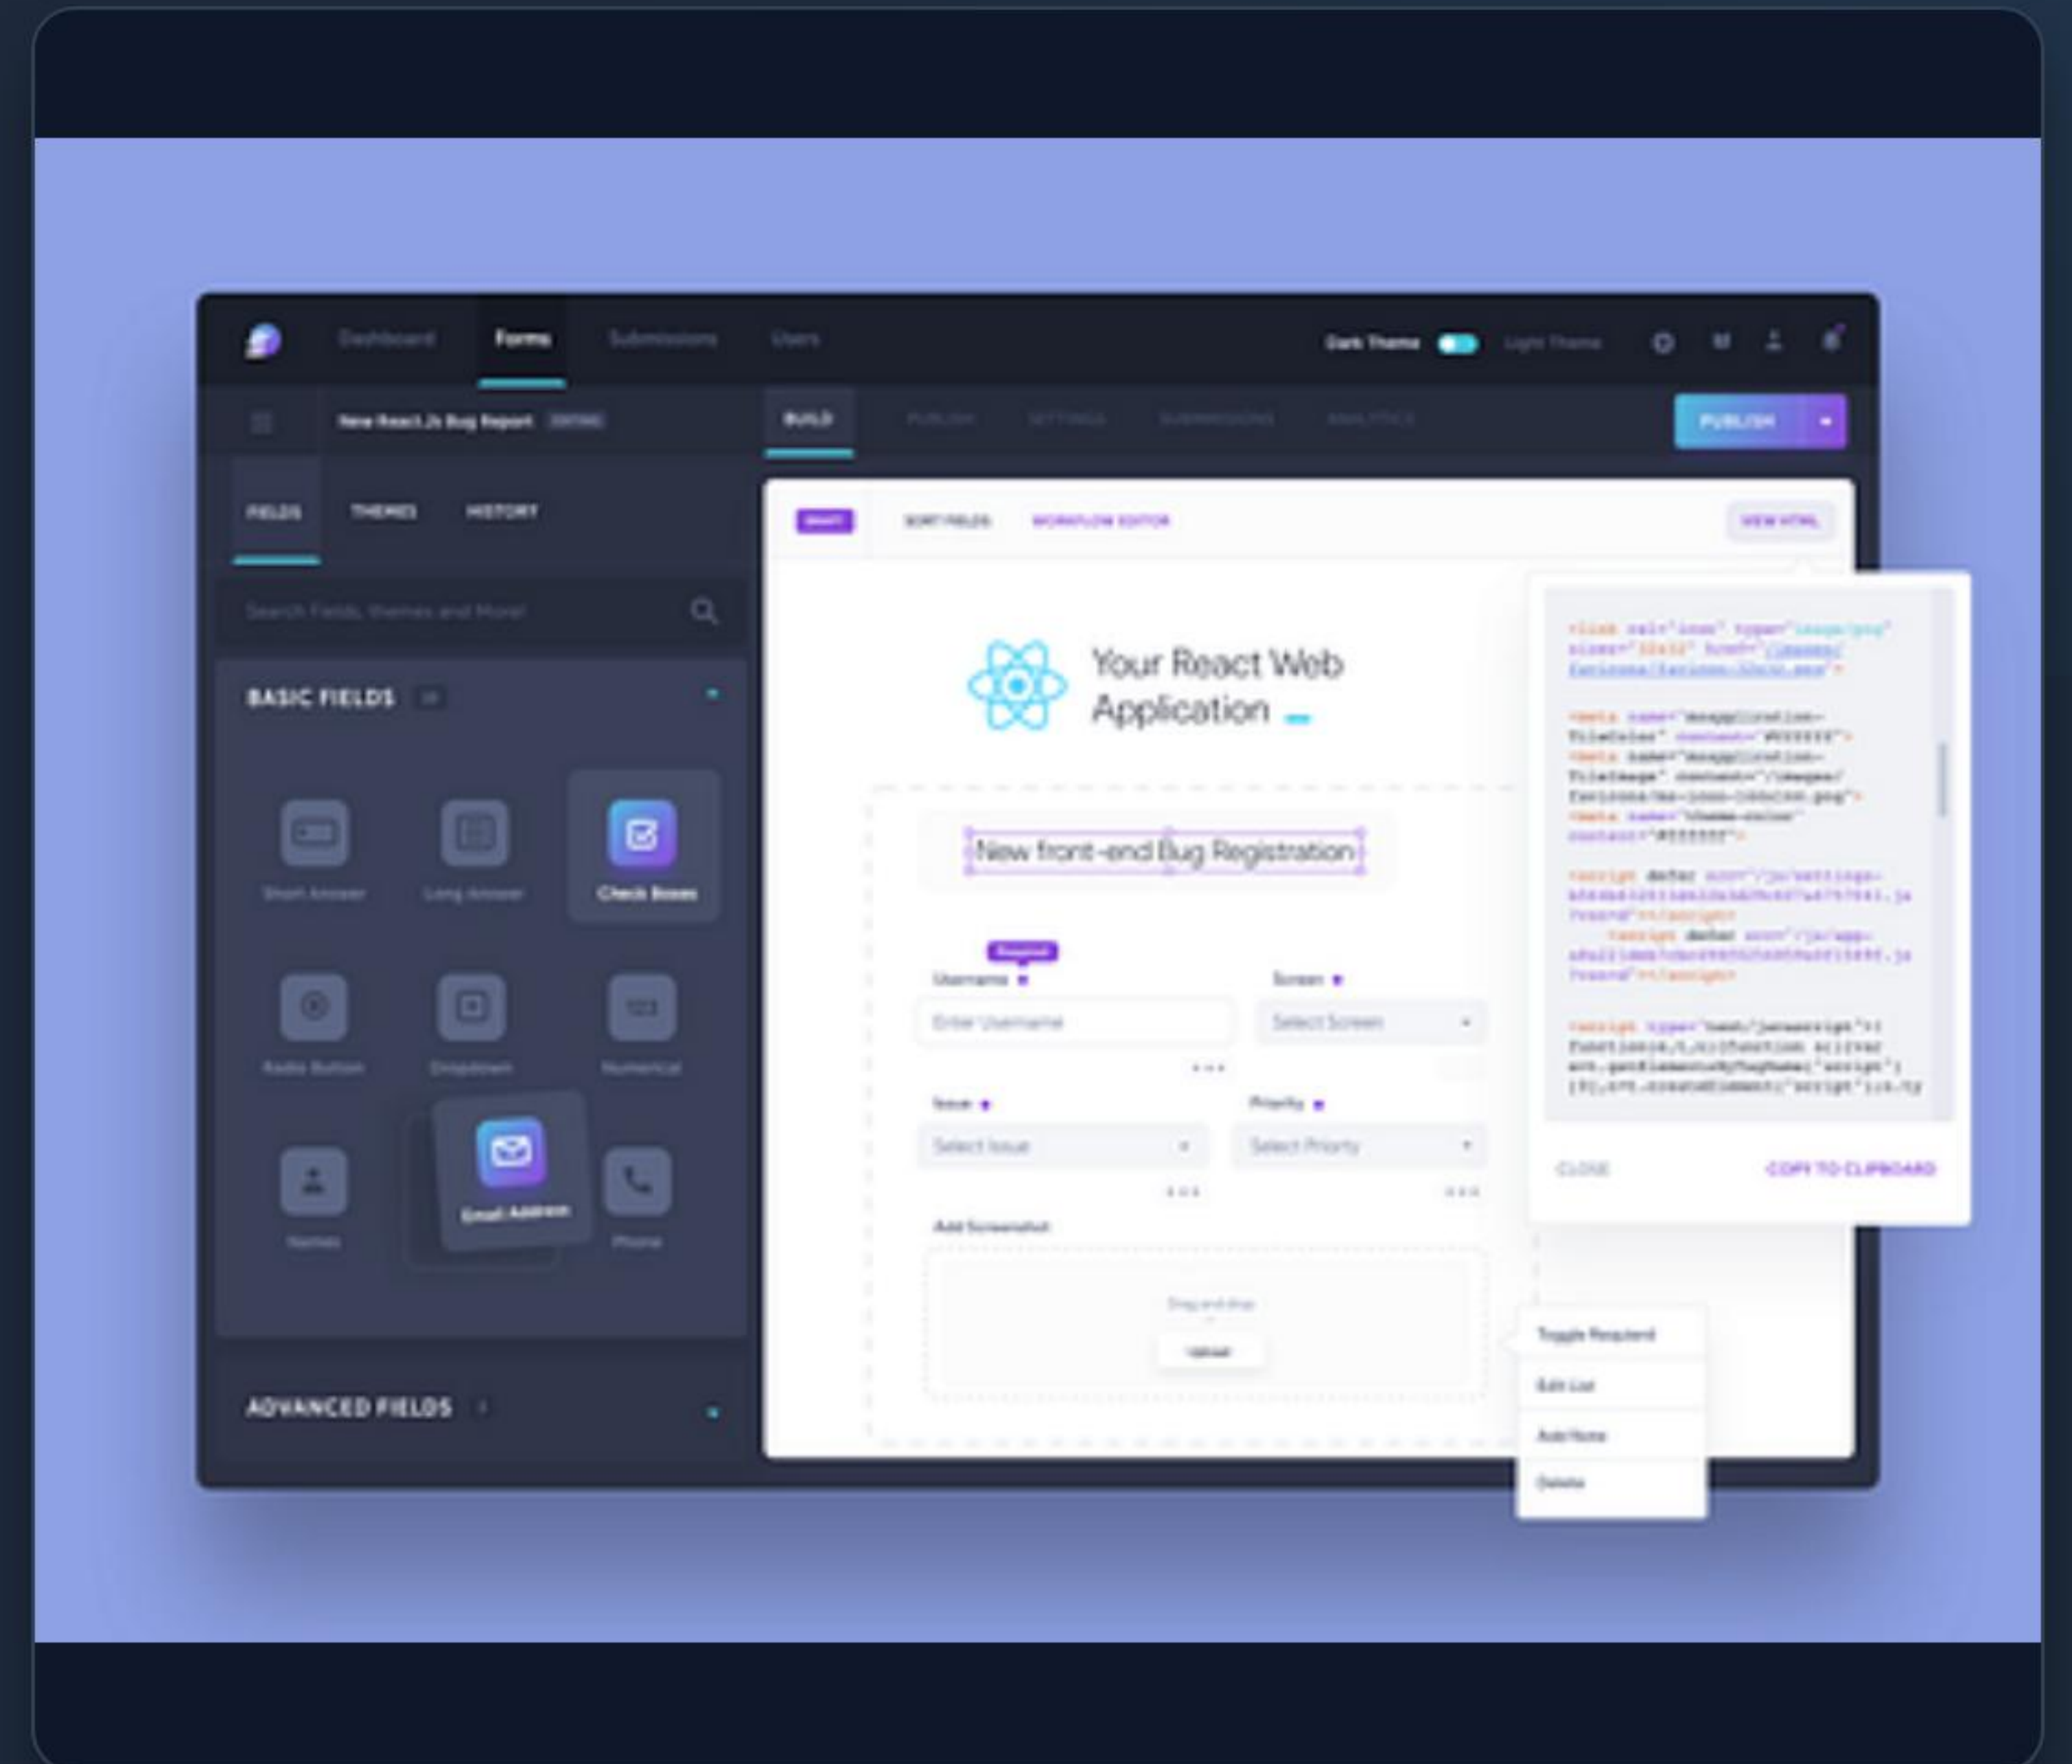

# Powerful Form Builder

## Drag & Drop Interface

Build complex registration and profile forms with a simple drag-and-drop interface. No coding required.

## Smart Fields

- ✔ **Conditional Logic:** Show or hide fields dynamically based on user input.
- ✔ **Field Privacy:** Control who can see specific data (e.g., Admins Only, Friends Only).
- ✔ **Diverse Inputs:** Support for text, dropdowns, file uploads, star ratings, and more.

# Automated Communication

## Email Workflows

Set up automated email triggers for key events:

- ✓ Welcome emails upon registration.
- ✓ Account activation/pending review notices.
- ✓ Password reset instructions.
- ✓ Personalized with dynamic tags (e.g., {first\_name}).

## Smart Navigation

Control your menu visibility with precision:

- ✓ Show "Login/Register" only to guests.
- ✓ Show "My Profile/Logout" only to logged-in users.
- ✓ Restrict specific links to Admin or Moderator roles.

# Why Ultimate Member?

100%

Front-end Control

3

Core Pillars:  
Profile, Role, Content

∞

Scalability

The definitive solution for building user-centric communities on WordPress,  
perfectly suited for the Replit project infrastructure.
